We don't reveal the names of the scholarship recipients, but they are made aware of the sponsors who contribute to the scholarship fund and make it possible for them to attend.

Optional Display Tables

After you sponsor an event, you may purchase a tabletop display space (6x6 area) for an additional \$1,650 to use for literature throughout the conference (no 10x10 booths allowed). Space is limited.

The tables will be located in the Welcome Center where conference registration and food/beverages for breakfasts and breaks will also be placed. Depending on the venue, the Welcome Center will be located either in a large foyer or a ballroom. You may bring tabletop displays that will fit on top of a 6-foot table, or behind it, but not alongside. Suggested items to bring include pull-up banner, literature, a bowl to collect cards for a drawing, and a computer screen that you can either bring or rent from the hotel. Rental forms will be provided with the logistical information a few weeks prior to the conference.

Vendor Representative Information

Our sponsorship program allows sponsors to attend all educational sessions, meal functions and networking events along with the credit union attendees. Over the years, past attendees from both the credit union side and supplier side have cited the value of vendor representatives as a part of the whole conference, not just those limited "welcome center opportunities." For that reason, we don't offer a pass for "non-session attendees" who simply wish to staff your display. Additional registrants beyond the number of complimentary registrations included with your sponsorship are at the rate of \$999 each.

Additional participants from the same firm (not affiliates) may also attend based on the sponsorship level in which you commit.

Sponsor Deadlines

In order to get your name in the conference materials, sponsorship payment will have to be processed no later than **April 12, 2019**. Sponsorship is always welcome, but agreements made after that date may not be mentioned in the conference materials. Payment must be made prior to sponsorships being accepted. We do not guarantee the availability of any opportunity until we receive written confirmation of intent and establish its availability. Payment must be made within 15 days of confirmation. It is best to commit and remit payment early.

Enrollment

Please [complete the sign-up form](#) and submit no later than **April 12, 2019**. A confirmation email and invoice will be sent out when your sponsorship sign-up form is received, along with further details.

Payment Terms

A \$750 non-refundable deposit is required to reserve sponsorship. Payment in full must be received by **April 12, 2019** to guarantee placement in the conference materials. If payment is not received by final due date, space may be released to other sponsors.

Cancellation Policy

Cancellations by a sponsor less than 60 days prior to the event will result in an administrative fee of 25% of the sponsorship package price being retained by CUNA. Additional funds already committed by CUNA are non-refundable unless CUNA can obtain an approved alternate sponsor. Any cancellation request must be in writing and sent via email to sponsorships@cuna.coop. Should an event be cancelled by CUNA, your sponsorship package price may be applied directly to another CUNA event, or will be refunded. Sponsorships for printed items will be processed as soon as practicable by CUNA. Sponsorships for items already imprinted are not refundable.

Activity Guidelines

The purpose of the Sponsorship Program is to provide vendors with the opportunity to support the annual conference and in return receive considerable name recognition and direct networking opportunities. We request that our Sponsors use good judgment and business practices while interacting with our attendees. Activities or behaviors considered less than productive jeopardize the value of the conference for our attendees and may result in termination of the Sponsor relationship.

No activities may be scheduled at any time that will draw participants away from sessions or other conference activities.

Attendee emails will be shared with you solely for your use as a sponsor for this event. You may not use those emails for other purposes, or share them with any third parties.

Any activity not sanctioned by the CUNA Councils may not be advertised as part of the Sponsorship Program. The Council reserves the right to prohibit distribution of non-sanctioned materials within the designated conference areas of the hotel.

Additional participants from the same firm (not affiliates) may also attend based on the sponsorship level in which you commit.

Participation in the Sponsors Program should not be viewed as an endorsement by the Council.
